28-30th October

Tours from £119pp!

Spain's round of the Championship has established itself as one of the most popular events on the Motorsport calendar and Rally Travel took over 740 clients to the event in 2003. For 2005 the rally is moving from its traditional base in Lloret de Mar to the seaside resort of Salou, some 80 miles south of Barcelona. The combination of Autumn sunshine, some spectacular tarmac stages last visited in the late 90's, and the tourist-friendly Costa Dorada will prove to be as popular as ever. And Rally Travel will make sure you can get to the best of the action by providing clients with our Rally Info Pack comprising general info and full directions to the stages, and also a unique map book with individual A3 sized pages of the rally stages using a 1:50,000 scale. For 2005 we are also providing an Escorted Tour for those who prefer not to drive themselves to the rally stages.

(Thursday - Sunday)

Thursday 27th October

Your hire car will be waiting for you at your chosen arrival airport, and the directions and maps in your Rally Info Pack will help guide you to the 4 Star Salou Park Hotel where your stay will be on a Half-Board basis including breakfast and a three-course evening buffet meal each day (drinks not included). The Hotel has it's own private beach and all the usual 4 Star facilities such as a superb outdoor swimming pool, air-conditioned rooms with en-suite facilities, colour TV, balcony etc.

In the evening there will be a detailed Pre-Rally Spectator Presentation by our experienced team of Rally Travel Representatives. The presentation will last around 30 minutes and include slides of the best spectator access points on the rally, and other general up to the minute information. Afterwards there will also be an opportunity to discuss your spectating options with your Representatives.

It's normal practice for the rally to begin with a ceremonial start during Thursday evening.

Friday 28th – Sunday 30th October

The rally will take place over some of the superb stages from the late 1990s which we have experience of, such as the majestic 48km long Escaladei stage which winds it's way through the cherry orchards high in the hills above Gratallops.

The rally is likely to return to Salou each evening for the end of leg service and Parc Ferme.

4 nights from **£139pp**
(Thursday-Monday or Wednesday-Sunday)

For those returning on Monday 31st October there is the chance to join the Drivers and Teams as they let their hair down and celebrate the end of another European WRC season in the Bars and Clubs around Salou. Again the 4 Star Salou Park Hotel will be your base for the 4 nights of your choice.

Tour Code CAT5
5 nights from **£159pp**
(Wednesday-Monday)
See the Shakedown stage

Traditionally our most popular tour as it allows time to actually drive over some of the new Rally Stages (closed public roads) on Wednesday, and visit the Rally Test stage on Thursday (normally run 8am-12 noon), which offers a unique chance to see the cars in action several times over the same short stage, and serviced in a relaxed atmosphere. Returning on Monday also offers a chance to 'wind down' and maybe take in the sights of Barcelona on your journey back to the airport.

Our base for the CAT5 tour is the Hotel Gran Regina, just a 10 - 15 minute walk from the proposed Service Area, and a 4 Star Hotel which boasts above average facilities including a number of Fitness and Health rooms, Swimming Pool, Jacuzzi, Sauna and of course air-conditioned rooms with en-suite Shower/Bath and WC, Colour TV & Balcony.

Rally Travel Welcome Evening – Meet the WRC Stars!

At the time of writing we have yet to confirm whether our traditionally amazing Rally Catalunya Welcome Evening will be held on Wednesday or Thursday evening. In 2004 it was held right opposite the rally start line and, hosted by ITV's Jon Desborough and Tony Mason gave our guests an exclusive opportunity to meet and listen to WRC stars such as Marko Martin, Giles Panizzi, Dani Sola, Kris Meeke, and Guy Wilks throughout it's 90 minute duration.

Tour Code CAT GOLD
5 Night Fully Escorted **Coach Tour**

For those who prefer not to drive themselves whilst following the rally, or just prefer to relax whilst Rally Travel takes the strain, we are offering one of our popular Escorted Tours on this event. The basic itinerary and accommodation details are as per Tour CAT5, but the GOLD tour includes return airport transfers, and transport to the very best of the Rally Stages each day including the shakedown stage on Thursday morning. An experienced Rally Travel Guide will accompany the group throughout the day's spectating.
